

## **Philosophy Teaching Resource Center**

The aim of this page is to provide information regarding the range of teaching resources available on campus, and some links for off campus resources.

**Technology Assisted Curriculum Center (TACC):** <http://www.tacc.utah.edu/>

Includes many links to WebCT, online resources and services. The office for TACC is located on the second floor of Marriott Library (801) 585-0536. According to their mission statement TACC exists to "support the efforts of University of Utah faculty members to integrate various technologies and information navigation skills into their curriculum for the enhancement of quality teaching and learning. Our mission is to provide faculty members with a wide, up-to-date, and user-friendly spectrum of digital services and resources." This site is perhaps the single best site to start when looking for teaching resources at the University and across the internet because it includes many links to other technology and teaching resources on the web. It also has a number of resources for multimedia production in the class, including a syllabus builder, powerpoint and video development and training.

**Marriott Library:** <http://www.lib.utah.edu/index.html>

The library has a number of research guides, class tours and faculty information.

**Center for Teaching & Learning Excellence (CTLE):**

<http://www.ugs.utah.edu/ctle/index.htm>.

The CTLE promotes teaching and learning at the University. This site includes faculty support, teaching assistant support and other links to teaching resources. The CTLE office is located at 136 Sill Center (801) 581-7597. The center supports new faculty orientation, peer consultation and observation, event sponsorship, and book clubs, among other things.

**Learning Enhancement Program (LEP):** <http://www.sa.utah.edu/lep/>

An academic support program that offers three programs to help students succeed in the classroom: Strategies for College Success Courses, Supplemental Instruction, and Tutoring. LEP is located in the Student Services Building, (801) 591-8746.

**University Writing Center:** <http://www.writingcenter.utah.edu/>

A new center for student aid in writing assignments located at Marriott Library. The aim of the center is to tutor students on academic writing assignments (arguments, literature reviews, term papers, research papers, etc.), professional writing (resumes, cover letters, etc.), and basic writing skills (developing ideas, organizing thoughts, shaping paragraphs, etc.). Appointments can be made at (801) 587-9122. The website has links to internal and external resources for writing.

**Office of Undergraduate Studies:** <http://www.ugs.utah.edu/>

A number of resources for faculty and students including links to Honors, LEAP, and advising/counseling resources. Located in the Sill Center (801) 581-3811.

**Graduate School:** [http://www.utah.edu/graduate\\_school/index.html](http://www.utah.edu/graduate_school/index.html)

The Graduate School has links to resources in academic programs, TA training, and other programs. It also has links to the testing center, language verification center, and student affairs offices. The Graduate Office is located in the Park Building, Room 310, (801) 581-7642.

**University Testing Center:** <http://www.sa.utah.edu/testing/index.html>

A division of the University Counseling Center, the Testing Center provides a variety of services for the campus community. Located in the Student Services Building,

**University Counseling Center:** <http://www.sa.utah.edu/counsel/>

Located in the Student Services Building, the Counseling Center offers counseling for students and faculty, screening for depression, anxiety, alcohol and eating disorders, as well as other programs for personal development and mental health. (801) 581-6826.
